

REMARKS

In response to the detailed action, claims 1 and 2 have been cancelled. New original claim 6 has been added. The Examiner has stated that this claim is the equivalent in independent form of original claim 2 and has been prepared to overcome the informalities applied to claims 1 and 2.as recited by the Examiner. Accordingly, allowance of claim 6 is respectfully requested. Original claim 4 and amended claims 3and 5 are dependent upon claim 6 and therefore also allowable.

Respectfully submitted,
